

CHANGES TO MEMBERS' REWARD PROGRAM

Please be advised that beginning on **1st May 2025**, the use of your membership card to earn points will be enhanced when purchasing food and beverage items at the Club.

Using your membership card when purchasing food and beverage items will now earn a rewards point for every **\$2 spent**, rather than the current **\$3 spend**.

Please note that playing Keno will **no longer** earn member rewards points.

Thank you for your understanding and continued support.

Best regards,

CITY CLUB GROUP
